

The Concordant Powers

The Concordant Powers are said to labor in service of continuity, tending the weave of existence so that creation endures and the natural cycles of life and death remain unbroken. Their followers believe that the universe is a fragile structure, one that must be maintained through patience, sacrifice, and restraint.

Critics, however, claim the Concordant Powers value preservation over progress, and that their reverence for balance stifles growth, ambition, and evolution

The Aegis Court

“The High Celestials”

Kunil  “The All-Father” Oldest High Celestial Father of Plii and Kanor Domains: Creation	Plii  “The Heir of Creation” Youngest High Celestial Creator of Pliara Domains: Creation	Torathiel  “The Star Scribe” The First Enforcer Keeps Records of All Domains: Solidarity Repose	Lyssan  “The Voice of Silence” Created by Ghetta at death Rarely seen, known by few Domains: Destruction Hunt	Veyora  “The Balancer of Chaos” True Neutral Balances Cosmic Acts Domains: Arts Balance	Ghetta (Deceased)  “Lifegiver” Mother of Plii and Kanor Murdered by Kanor Domains: None
